### 2. Warning of Assumption of Inherent Risks

- 2.1 The Event is meant to be an extreme test of toughness, strength, stamina, camaraderie and mental grit that takes place in one place in one day. It is not a race against other contestants, but rather a competition with oneself and the course. The object is to complete the course. Venues are part of the challenge and usually involve hostile environments that might include different temperatures sand, mud, extreme changes in elevation and water. Some of the activities include runs, military style obstacles, going through pipes, traversing cargo nets, climbing walls, swimming in cold water, throwing or carrying heavy objects and traversing muddy and sandy areas. Inherent risks are risks that cannot be eliminated completely (without changing the challenging nature of the Event) regardless of the care and precautions taken by DWC and the other Released Parties. I also understand that the Event is extremely strenuous and further acknowledge the accompanying risks and dangers generally present in such activities. - 2.4 I further understand and acknowledge that any of these risks and others, not specifically named, may cause injury or injuries that may be categorized as minor, serious, or catastrophic. Minor injuries are common and include, but are not limited to: scrapes, bruises, sprains, nausea, and cuts. Serious injuries are less common, but do sometimes occur. They include, but are not limited to: property loss or damage, broken bones, torn ligaments, concussions, exposure, heat-related illness, mental stress or exhaustion, infection, and concussions. Grievous injuries are rare; however, we feel that our participants and volunteers should be aware of the possibility. These injuries can include permanent disabilities, spinal injuries and paralysis, stroke, heart attack, and even death. I understand that it is my responsibility to inspect the course, facilities, equipment, and areas to be used, and if I believe or become aware that any are unsafe or pose unreasonable risks, I agree to immediately notify appropriate personnel. By participating, volunteering or otherwise being involved in the Event on the day of the Event, after making due inspections, acknowledgment shall be deemed that I have found the course, facilities, equipment, and areas to be used to be safe and acceptable for participation. I accept full and sole responsibility for the condition and adequacy of my equipment.
- 2.5 I understand fully the inherent risks involved in the Event and assert that I am willingly participating, volunteering or otherwise being involved in the Event. I have read the preceding paragraphs and acknowledge that: (a) I know the nature of the Event; (b) I understand the demands of this activity relative to my physical condition; and (c) I appreciate the potential impact of the types of injuries that may result from the Event. I hereby assert that I knowingly assume all of the inherent risks of the activity and take full responsibility for any and all damages, liabilities, losses, or expenses that I incur as a result of participating, volunteering or otherwise being involved in the Event.
